It is the purpose of The Cadence to introduce to the public school administrators the 1942 graduating class of the Music Education Department, Mansfield State Teachers College. The graduates listed in the following pages are candidates for the degree of Bachelor of Science in Public School Music and are certified to teach other subjects, especially English and Social Studies. However, other academic fields are also chosen. Included in the curriculum as set up by the state the graduates have had four years of voice, piano, chorus and orchestral instruments; and from two to four years in band and orchestra. Graduates have taught in the laboratory schools and the high school of Mansfield. Teaching has included both vocal and instrumental work.

We endeavor to give a complete and accurate rating of each graduate about whom inquiries are made for it is our desire to serve the schools of Pennsylvania to the best of our ability.

THE CADENCE

Placement Office

The Placement Office, maintained by the college, keeps a complete set of recommendations of each graduate of the Music Department. This office is in charge of Dr. George A. Retan, Director of Placement. The file contains a complete record of the experience, education and musical training of each individual. For graduates who have been in the field some time, there is an evaluation of the work which the individual is doing. The Placement Office is open twelve months in the year, and any graduate or employing official will have a request for a file attended to within twenty-four hours. The Office also will be glad to arrange appointments for interviews for employers who are willing to come to the college to see the graduates in person.

T H E C A D E N C E

F. GENEVIEVE ANTONSON

Personal: Age, 21, Port Allegany, Pa..

Education: Port Allegany High School, Mansfield State Teachers College, Pennsylvania State College Summer School.

Major Performing Abilities: Voice, Piano.

Academic Minor: English.

Professional Experience: Voice Teacher, Director of Lutheran Junior Choir.

Organizations: Lambda Mu, Kappa Delta Pi, Madrigal Singers.

THE CADENCE

ACCELERATED PROGRAM

In order to help supply teachers to replace those who are serving their country and to make it possible for young men and women to receive their college degrees before entering military or emergency duties, Mansfield State Teachers College has inaugurated a three-year plan whereby the length of time spent in college may be shortened. This plan is accomplished by three college years and two twelve weeks summer schools.

The students who are now Juniors, by following this plan, may be graduated in January, 1943. The accelerated program does not replace the regular four-year curriculum. Mansfield is simply offering the three-year plan for those students who feel that they will be benefited by taking an accelerated program.

THE MUSIC DEPARTMENT

The students in the Music Department have many opportunities for extra-curricular activities. THE SYMPHONY ORCHESTRA, with sixty musicians, is under the direction of Mr. Bernard Mandelkern. THE SYMPHONIC BAND is composed of seventy-five musicians under the direction of Mr. Bertram Francis. THE ESQUIRES, the college dance band, is directed by Mr. John Pyle, a music senior.

In the vocal department are the MIXED CHORUS, comprised of all of the students in the music department, directed by Mr. J. Alex Gilfillan; THE COLLEGE CHOIR of forty voices directed by Miss Clarissa Randall; THE MADRIGAL SINGERS, eight in number, who present madrigals under the direction of Miss Marjorie Brooks; and THE GIRLS' TRIPLE TRIO directed by Miss Elsie Perkins.

The clubs in this department are the MUSIC EDUCATORS CLUB, to which all music students belong; PHI MU ALPHA, an honorary music fraternity and LAMBDU MU, an honorary music sorority.
